

Application for BHL Membership

Our Membership year runs 1st April to 31st March. New members joining after 1st December will have the following year's membership included free of additional charge. There are only two membership categories: full @ £30 and for an additional £30 it is possible to apply to be accepted onto the Professional Register.

If you wish to apply to be added to the **Professional Register** as a horse logger then you must have been a BHL Member on the Working Members list for at least 1 year and additional information is required to support your application, details are available from Julian Philipson. There is an additional fee of £30 to apply and then, should you be accepted, to renew annually.

All successful applications for the **Professional Register** will have clearly demonstrated a proven track record of work to a high professional standard. Applications will be considered by the BHL Committee.
