

**BRITISH HORSE LOGGERS  
APPLICATION FOR THE PROFESSIONAL REGISTER**

Applications for the Professional Register are vetted by the BHL committee on the basis of the portfolio of evidence presented. They will expect it to show successful completion of substantial contracts over a significant period. It is common for applicants to be turned down at their first application and invited to re-apply later. It is strongly recommended that applicants are listed as Working Members on the BHL Website for at least 1 year before making an application.
